JINTY 47493 APPEAL

SECURING THE FUTURE OF STEAM ON THE SPA VALLEY RAILWAY

SECURING THE FUTURE OF STEAM ON THE SPA VALLEY RAILWAY!

‘Jinty’ 47493 is the signature locomotive of the Spa Valley Railway. It was the first ex-mainline steam engine to be based on the railway and is perfectly suited for our operation, hauling many trains between 2004 and 2014. We now have the chance to make it one of our ‘Crown Jewels’ by offering it a permanent home, but we need **YOUR HELP**.

The locomotive has recently been offered to the railway and we have reached an agreement to purchase it. Our target for this appeal is to raise £130,000 towards purchasing 47493 and returning it to operation. We have secured a financial commitment to match fund any donation pound-for-pound up to £50,000, before June 30th 2020.

There are a number of ways you can help us achieve our goal.

You can help give 47493 a home by making a donation!

By Post: Write a cheque payable to the Tunbridge Wells & Eridge Railway Preservation Society, and send it to our office at Tunbridge Wells West – West Station, Nevill Terrace, Tunbridge Wells, Kent, TN2 5QY or complete the donation form on the back of this leaflet.

On-The-Day: Look out for our collection tin at Tunbridge Wells West or envelopes located at stations around the railway.

Monthly Standing Order: Sign up to our monthly Covenantor scheme and in return receive a selection of rewards.
