Session Pale Ale – 4.2%

Refreshing and uplifting, this straw coloured fresh pale ale has tropical fruit and sweet floral aromas with the intense flavour of gooseberry and green grapes with a light honeyed sweetness leaving a crisp punch and a dry, clean finish.

Amber Ale – 4.0%

Hugely satisfying and beginning with a sweet, floral aroma of orange blossom. Pale and Crystal malts combine with a light addition of Amber giving a firm, smooth, biscuity and toasty, malt flavour. Hop combinations supply a light bitterness with a gentle marmalade finish.

Summer Pale – 4.0%

A light, fresh malt base is the backdrop for the fruity and floral aromas that rise from the glass. The hop combination that features Ernest along with New Zealand Rakau give apricot, green tea and grapefruit characteristics.

Summer Pale – 4.0%

A moreish full flavoured beer with a peppery and warming taste, on the darker side than norm. Hops combine to give a rich, ripe orchard fruits flavour with a smooth bitter finish.
